(Lines)

The mayor walks into his home with a bright smile and then falls to his bed and sighs in relief and says to himself;

G.O: "Ah, another taxpayer rightfully scammed" (As he falls asleep, but then hears a sound)

G.O: Who's there? (Hears the door open yet no one answers) I said who's there?

G.o.P: I am the ghost of the past and I am here for you!

G.O: What?! This is against the law! Breaking into my home like this!

G.o.F: (enters room) Shut up for two seconds and let let man, erm (asks G.o.P) are we still men?

G.o.P: No, were dead, now shutup.

G.o.P: Now tell me, while on your bed, did you notice what happened or what you could have done with that taxpayer money?

G.O : I...II ... um.

G.o.P: Exactly what I meant.

G.O: Well why should I help those who failed themselves?!

G.o.P: Life is not a choice, why do you think I'm a ghost.

G.O: Well I am still alive, I will do as I please!

G.o.P: Well I remember when you were just as poor as the people you steal from every day!

G.O: Blasphemy, you are not my mother and no one else knows!

G.o.P: Well i'm not called the ghost of the past for no reason.

G.O: Wait... I have heard this before, it was a popular story when young, are you the same ghost from a--.

G.o.P: NO! Of course not, everything's related you now ...
And that's besides the point.

G.O : So where are the three other ghosts?

G.o.P : I told you thats story has nothing to do with you!

G.O: What's your purpose here? To remind me of my unfortunate childhood?

G.o.P: Perhaps I should let the ghost of your near future do the explaining.

G.o.F:"OHHHHHH" (In ghostly voice)

G.O: What on Earth?!

G.o.F: No, not Earth, but the AFTERLIFE!!

G.O:Boulder Dash, all this ghost stuff is complete nonsense!
and I won't stand for it (starts walking away)...

G.o.F: If you don't change your evil ways you will end up in a gutter with the rest of the sick,poor
and depressed that you steal from now!

G.O:HOW?!

G.o.F:As a mayor you must use your money for the benefit of the city! Not yourself.

G.O:And if I don't?!

(G.o.F places finger on G.O's forehead and G.O quivers in terror)

G.O: OH GOD!! AND I'M AN ATHEIST!

I see my wrong and I must use it for the greater good, or else the world will fall into a nuclear
war and become a desolate wasteland!

G.o.P: (glares at G.o.F)

G.o.F: Well if I showed him the real deal instead of the game I bet he would've stayed the same.

G.O: are you sure the world will be like that?

G.o.F: YUUUUUUUP

Better get a radiation suit or change your ways pal.

G.o.P: (glares at G.o.F again)

G.O: I'LL CHANGE I'LL CHANGE!! JUST LEAVE ME ALONE!

G.o.F: Alright later (walks away)

G.o.P: (rolls eyes sighs and walks off while saying) You better change... we can come back at anytime.

G.O: Okay, Okay I'll change just please leave my house!!!v
