

To whomever this may concern:

We hope this message finds you well!

Founded in May 1969, the Temiskaming Pleasure Horse Club (TPHC) has been a pillar of the equine community in northern Ontario. What began as a small group of passionate volunteers has grown into a vibrant organization that has been serving horse enthusiasts for over 54 years.

The TPHC hosts a variety of events, including local horse shows with competitions in English, Western Performance, Western Games, and mounted games. We also organize trail rides throughout the picturesque Temiskaming district, clinics, trade shows, general meetings, and many other equine-related activities. These events not only engage the local community but also attract participants from surrounding areas, including Timmins and Quebec.

In order to continue delivering high-quality events, we are seeking local businesses to partner with us as sponsors. Your sponsorship will contribute to covering the costs of event operations, venue maintenance, and equipment upkeep. Additionally, there are opportunities to sponsor year-end prizes, which can feature your company logo.

In return for your generous support, you will gain excellent exposure within the equine community and among the attendees of our competitions and events. Your sponsorship will be promoted through various channels, including our print materials, website, social media platforms, and event announcements via PA systems.

We would be honored to have you as a sponsor and are happy to discuss the various sponsorship packages we offer. Please feel free to reach out if you have any questions or would like to get involved.

Thank you for considering this opportunity to support the Temiskaming Pleasure Horse Club. Your partnership is invaluable, and we look forward to working with you.
