

Privacy Policy for Barkio: Dog Human Translator

Effective Date: 06/04/2026

Thank you for choosing Barkio: Dog Human Translator, developed by Pavlo Kakubava. Your privacy is important to us, and this Privacy Policy outlines how we collect, use, and protect your information when you use our application.

Information We Collect

Barkio: Dog Human Translator collects the following types of data:

1. User ID: A unique identifier assigned to your usage of the app.
2. Device ID: Information about the device you are using to access the app.
3. Product Interaction: Data regarding how you interact with the app features for analytical purposes.

Use of Information

The information collected is used solely to improve our app and enhance user experience. We analyze user interactions to understand usage patterns, allowing us to optimize our services.

Third-Party Services

We utilize third-party services for analytics and advertising purposes, including:

- Firebase: For analytics to understand how our app is being used and to improve its functionality.
- Adjust: For advertising purposes to help manage and optimize our marketing efforts.

Cookies and Data Processing

Barkio: Dog Human Translator does not use cookies or similar tracking technologies. We do not collect personal data beyond what is necessary for the app's functionality.

Children's Privacy

Our app is rated for users aged 4 and above. We do not knowingly collect personal information from children under 13. If you believe we have inadvertently collected such information, please contact us at pavlokakubava8@gmail.com.

Data Security

We take reasonable measures to protect your information from unauthorized access, use, or disclosure. However, please be aware that no method of transmission over the internet or method of electronic storage is completely secure.

Changes to This Privacy Policy

We may update this Privacy Policy from time to time. We will notify you of any changes by posting the new policy within the app. You are encouraged to review this policy periodically for any updates.
