Mystery Blocks

Objective: Use observation skills and creative thinking to solve a puzzle. Figure out what should be on the bottom of your mystery block without looking. Use the sides of the block that you can see to help you figure it out. Hint: there is a reason for what is on the bottom of each block.

Observations: Write down any observations or ideas that you may have that would help you to figure out what is on the bottom of each block, <u>not the answer</u>. <u>What do you see on the blocks</u>?
Block with the dots:

Block with the numbers and shapes:

Block with the numbers and letters:

Block with the names and numbers:

<u>Possible answers with a reason</u> (draw a picture of what you think it looks like):
