Good Morning!

Can you both help me test something out? The referral link is still so new for our clients and coaches. Can you please locate your referral link in the app and text it to me so I can see how it works? (I'm attaching a video of where to find it) Click the word ACCOUNT on the bottom right and then see REFER FRIENDS AND EARN. Then copy and paste the link back to me in a text!:. Thank you!

You did it! You got the link to work. Was that easy enough to understand? Just trying to help clients see how easy it is to earn!

Thank you!

This is SO COOL! Did you know you can earn \$50 on your account (an unlimited amount) for referring friends, family, coworkers to me:) Just connect them in a 3 way text with you, them and me and introduce us and I'll take it from there!

I'll take care of everything and make sure you get your referral credit once they sign up! 🥳 I can also let them know about any specials too and make sure they save \$.
