

VCCA Annual Conference 2023
Support Staff Commission Meeting
Wednesday, 9/27/23, 3:15pm-4:00pm

The meeting was called to order by Stacey Lyon, Chair. All attendees were warmly welcomed. We had 13 in attendance.

The business part of our meeting was held before our presenter. The commission's mission and purpose were discussed. The group in general was asked if they might have any questions as well of any knowledge of what they would like to learn about or see this commission do or represent. No response was given, but an email will be sent as a follow-up for later opportunities. The Commission Officers positions were discussed and volunteers were asked to step up for the next years term.
