

2024 Viera HS Band Brass & Woodwind Marching Demonstration

Brass & Woodwind players are asked to submit a video of a brief marching demonstration:

- You must complete this portion while carrying your marching instrument.
- You should be wearing your Marching Hawk t-shirt & shorts, as well as appropriate footwear.
- Set up the camera so that you can be seen “head to toe,” and orient yourself so that you will be marching from “left to right” or “right to left” (do NOT march straight towards the camera).
- Set a metronome to 132 BPM
- Complete each of the following maneuvers:
 - 8 counts forward, 8 counts backward. Horn up on 1, with “and down” at the end.
 - “Forward Left” box drill: Forward 8, Forward Slide Left 8, Backwards 8, Forward Slight Right 8, Halt. Start with your horn up & keep it up the entire time.
- For specific help in preparing your marching demonstration, please see a Band Director!
- Attach the completed video of this performance to the Google Classroom Assignment.
