SlideCrafter ("the App," "we," "us," or "our") is committed to protecting your privacy. This Privacy Policy explains how we collect, use, and safeguard your information when you use the SlideCrafter mobile application.

### 1. Information We Collect

SlideCrafter is designed with privacy in mind. We collect the following limited information:

**Usage Data:** Anonymous analytics about how you interact with the App (e.g., which features you use). This data does not personally identify you.

**Crash Reports:** Technical data about app performance to help us fix bugs.

**Subscription Information:** Payment transactions are processed entirely by Apple. We do not collect or store your payment card details. We receive only subscription status information (active/expired) from Apple.

### 2. Information We Do NOT Collect

We do not collect personal information such as your name, email address, or phone number.

We do not collect your presentations or slide content. All your decks and AI-generated content remain stored locally on your device.

We do not track your precise location.

We do not access your contacts, calendar, or other personal data stored on your device.

### 3. How We Use Information

Any data we collect is used solely to:

Improve app performance and user experience.

Debug and fix technical issues.

Understand feature usage to guide future development.

### 4. Data Retention and Deletion

We retain anonymous usage data for a maximum of 90 days. Since we do not collect personal data, there is no personal data to delete. Your slide content remains under your sole control on your device.

### 5. Third-Party Services

SlideCrafter does not integrate with any third-party analytics or advertising services. We do not share any data with third parties.

### 6. Children's Privacy

The App is not directed to children under the age of 13. We do not knowingly collect personal information from children.

#### 7. Your Rights

As we do not collect personal data, standard data subject rights (access, correction, deletion, portability) do not apply. If you have concerns, please contact us.

#### 8. Security

We implement industry-standard security measures to protect the limited data we collect. However, no method of electronic storage or transmission is 100% secure.

#### 9. Changes to This Privacy Policy

We may update this Privacy Policy periodically. We will notify you of any changes by posting the new Privacy Policy on this page. Continued use of the App after changes constitutes acceptance.
