

POL2070: Library Research Session

Instructions: Decide who will be the recorder and who will be the presenter. With your group, find three subject terms related to the topic assigned to you. Decide who will record the subject terms and who will share the terms with the class. List these three subject terms (copied directly from the Articles search box databases) into the Google doc for your assigned topic.

Example:

The screenshot shows a library search interface. At the top, there are three search boxes with the terms 'prenatal healthcare', 'infant mortality', and '"united states"', each preceded by an 'AND' operator. To the right of each box is a dropdown menu labeled 'Select a Field (optional)'. A green 'Search' button is to the right of the first box. Below the search boxes are links for 'Basic Search', 'Advanced Search', and 'Search History'. The search results section shows 'Search Results: 1 - 20 of 699'. The first result is titled '1. Toward a National Strategy on Infant Mortality.' and includes a PDF icon, the author 'By: Lu, Michael C.; Johnson, Kay A.', the journal 'American Journal of Public Health', the date 'Feb2014 Supplement, Vol. 104 Issue S1, pS13-S16, 4p, 1 Graph; DOI: 10.2105/AJPH.2013.301855, Database: General Science Full Text (H.W. Wilson)', and a list of subjects: 'Infant mortality; Evaluation of medical care; Pregnancy; Prenatal care; Race; United States; Health care teams; Infant health services; Interprofessional relations; Medical quality control; Patient safety; Postnatal care; Preventive health services; Quality assurance; Socioeconomic factors; Health equity; Institutional cooperation'. A 'PDF Full Text (506KB)' link is at the bottom.
