Collaboration means **working together**.

When we collaborate, we help our friends and reach our goals together!

Look at the pictures below. Match the picture to the description of the group work.

Type of Group Work	What it looks like
1. Good Collaboration Sharing ideas and listening.	An illustration of two boys, one with brown hair and one with black hair, standing and looking at a large white sheet of paper they are both holding. They appear to be discussing it together.
2. The Bossy Leader Telling everyone what to do.	An illustration of three boys. The boy in the center, wearing an orange shirt, is pointing his finger and looking sternly at the other two boys. The boy on the left and the girl on the right look sad or grumpy, illustrating a 'bossy leader' dynamic.

3. The Silent Member
