Aleesha Gia Trelawney was born on March 5th, 1979 to her parents Trelawney and Higglebottom. After she was born her father had divorced her mother and she didn't know why but she didn't question it. She had become friends with Cho Chang and Cedric Diggory due to them living so close to each other. Aleesha had always been a stargazer as she was always up at night looking at the stars as well as reading into divinations with her mother.
