Magsig Student Field Trip Contract

Field trips are an educational experience, organized by the Magsig Staff to provide a learning activity outside the classroom that can enhance what takes place at school; student participation on field trips is considered a privilege, not a right.

Student Eligibility

Field trips are open to students who have demonstrated mature, polite, and responsible behavior at Magsig; after misbehavior at school, which has resulted in a student having reached the "second step" on the discipline code or resulted in an out-of-school suspension or in-school detention, shall be considered a justifiable reason to be excluded from a school field trip.

Student Field Trip Behavior

Magsig students are expected to behave in a responsible, mature, and polite manner on field trips, and while traveling to and from school. Rude, violent, destructive, or aggressive behavior will result in immediate consequences being enforced, including immediate removal from the field trip, direct teacher supervision, Saturday School, or suspension, and future loss of field trip privileges.

Students are to follow specific field trip rules given to them by their adult supervisors, and to remember that "school rules" also apply on field trips.
