- **Each of my absences is excused**
- **I have earned a “C” or higher for each quarter**
- **I have no more than one ISS this semester and no OSS**

 - If students are exempt from a final, each quarter will account for 50% of their grade.
 - Students needing to change exam dates must complete a [FINAL EXAM CHANGE FORM](#) by Friday, May 3, for approval. These are for emergency situations, as vacations and work commitments should wait until after the school year is completed.
