

Now Church leadership is made up of a few different groups, each with distinct roles and responsibilities which we believe helps with clarity, accountability and productivity.

The Trustees

The trustees are responsible for the legal and financial operations of the church. They are ultimately responsible for the charity, staffing, policies and procedures and our finances (as well as a bit more). They meet together throughout the year to ensure that we are meeting the charitable objectives and deal with any issues. You can find out more about the Now Church charity by [clicking here](#).

Vision & Values Leadership

The Vision & Values Leadership Team works in partnership with the Trustees but this team is responsible for the spiritual temperature, vision, direction and culture of the church and charity. They are more hands on and will generally be more visible on a Sunday. Each member of the team is also responsible for one of the church values. The team meets together monthly.

Leadership Teams to look after the spiritual well being of those in the church, develop teams and ensure that we are being relevant to our community. The senior leaders are employed by the charity.

Core Team

The core team enable the day to day running of the church and are generally the people on the ground who are running departments and making things happen. They work closely alongside the Senior Leaders. The team is typically made up from those with significant responsibility in the church including paid staff and volunteers.
