Abstract

[Write your abstract here. The abstract should be a concise summary of your research, not exceeding 300 words. It should include the research background and objectives, materials and methods, key results and findings, and conclusions and significance. Avoid citations, abbreviations (unless defined), and references to figures or tables. The abstract should be self-contained and understandable without reading the full paper.]

Keywords: Keyword 1; Keyword 2; Keyword 3; Keyword 4; Keyword 5
