

2024.2025 Casa South Flower Arranging Sign Up

If you are able, please choose a week or two throughout the school year to contribute a bouquet of fresh cut flowers to your child's class. The students will use the flowers for their Montessori Flower Arranging activity. Nothing too fancy, and they can be from a store or your garden. Please bring flowers on the Monday morning of your chosen week (or Tuesday if it's a holiday). Thank you.
