ROX:

What is ROX?

Ruling Our eXperiences (ROX) provides a safe place where girls can develop as a female leader and gain the confidence to rule their own experiences! Topics covered include: healthy communication, social media, friendships and girl bullying, stress and pressure, body image and the media, leadership and academic/career development. Girls involved in the ROXLeadership Team will also be given different opportunities to engage their school community and come together with other ROX girls to work on special projects and school-wide initiatives of their choice.

Who can join ROX?

ROX is an invitation-based program for secondary students. In the second semester of the 2023-2024 school year, Hoover will be selecting students from 7th and 8th grades.

How do I know if my student was selected?

Students will be receiving a permission slip February 6th. There will be an informational meeting held virtually on February 8th at 5:30pm.

Who runs the ROX program?

Women leaders around the Taylor School District will be working with their respective buildings! Resilience Coaches around the district will be assisting as well!
