Dear Families,

South Allegheny School District is excited to announce that we are again approved as a Community Eligibility Provision (CEP) School District.

The Community Eligibility Provision (CEP) for the National School Lunch Program (NLSP) and School Breakfast Program (SBP) gives all South Allegheny Schools the option to offer free school meals to all children without collecting lunch applications. Under this provision, South Allegheny has elected to provide free meals to all students and is reimbursed by the federal government. Information on this program may be found at <https://www.fns.usda.gov/cn/community-eligibility-provision>.

Because we are a CEP District, your child may be eligible for a free hotspot and internet through T-Mobile's Project 10 Million. Information on that program can be found here as well as details on how to apply:

<https://www.t-mobile.com/brand/project-10-million>

If you have any questions, please contact the Foodservice Department at 412-675-3070, extension 1131 or via email at Mgoodson@southallegheny.org

Sincerely,

Dr. Lisa N. Duval
Superintendent
