6th Grade Exploratory Pathways 2025-2026

Year-Long Exploratory Pathways

Beginning Band	Beginning Band welcomes all students interested in learning to play an instrument. No previous musical experience is necessary.
Choir	Do you love to sing? All students are welcome, no previous singing experience required. Music will change your life! Join the choir and learn how to improve your singing voice, music reading skills and musicianship. We will perform at several events at the school and in the community.
STEAM Experience	The STEAM Experience offers a variety of learning experiences including computer science, design and modeling, art, technology and engineering.
