

The green transition

- opportunities and challenges for Green VET education
Piteå – Sweden, March 13th – 17th 2023

EUROPEA Sweden has the honour to invite you to the Biannual Meeting and General Assembly

Venue: Piteå Havsbad, Piteå, Sweden <https://pithavsbad.se/en/>

The main objects of the biannual meeting are:

- To learn about the green transmission in the north of Sweden.
- To learn about benefits and conflicts between the current users of the natural resources and the new industry of renewable energy.
- Reflection upon how these topics can be taken into our education and sharing examples of practice from teaching.
- To learn about the green sector of the Region of Norrbotten.
- To meet many Swedish agricultural colleagues, who have their annual meeting at the same place March 14th – 16th.
- To share information about current projects and proposals for future projects.
- To hold the General Assembly and facilitate the election of EC members.

The organisers offer, as usual, a free place per country member to its official representative person. (Free of charge includes shared room. If the official representative prefers a single room, there will be an additional fee of 150 Euros.)

The participation fee for the rest of participants is 460 € per person; 610 € if you want a single room. The fee covers all the costs of accommodation, food, visits and transportation during the

activities of the meeting. Transfers from the airport to the hotel, and vice versa, are also included in the fee.

To register, follow this link <https://forms.gle/vnwFEsZ6GCvX3J9y7>
Deadline for registration: 10th of February 2023.

To get to Piteå you can fly to Luleå- Kallax airport. We will arrange transport from the airport to the hotel on March 13 and 17.

If you prefer to travel by train there are night trains going from Stockholm to either Älvsbyn or Luleå, <https://www.sj.se/en/> . (The trip takes about 12-14hours and you can sleep rather well if you book a private compartment).

If you have difficulties finding a suitable trip, please don't hesitate to contact Mimmi Andersson for more travel options.
