

I am Dr. Samba Siva Rao Pasupuleti, Assistant Professor in the Department of Statistics, Pachhunga University College Campus, Mizoram University (A Central University), Aizawl, India. I did my masters in Statistics from Andhra University in the year 2004, did PhD work at the Population Studies Unit, Indian Statistical Institute, Kolkata, and obtained my PhD degree in statistics from the University of Calcutta in the year 2012. I did my postdoctoral research in Deakin University, Australia, during July 2012 to December 2014. I worked in the University of Gondar, Ethiopia, and in the Institute of Liver and Biliary Sciences, New Delhi, before joining in Mizoram University in 2019. Demography and Biostatistics are my core areas of research.
