Chapter 55 Wedding night

Most people have left the square and returned to their rooms. Misha, who had fallen asleep, was also brought home by Matt. But the two little ones have not returned yet and stood under a tree. The moonlight tonight was very good, making the woods less dark.

"Qiuqiu, Lin Mu and the rest are all married. I wonder when we will get married?" Casso said with a sigh. As for the word ‘marriage’, it learned it from Lin Mu.

Qiuqiu glanced at Casso, "What marriage? I still don't know what I am right now." Thinking of this, Qiuqiu felt that its sunny heart had become cloudy. The reason why it came out of the Fog Forest was to find out what it is, but it had never seen a beast or beastman like itself.

Sensing that Qiuqiu's mood has turned slightly depressed, Casso quickly said, "Qiuqiu, you can speak beastman, so you must be beastman. Of course, even if you are a male, I still like you." Casso immediately expressed its thoughts.

Actually, Qiuqiu was very moved when it heard Casso's words, but it would never tell Casso that.

"Ai, it would be nice if I could find my own kind. Then I don't have to worry about being the odd one out."

"Qiuqiu, don't worry. When I became an adult, I will accompany you out to find your people. You don't have to worry. We are still young anyway and should stay in the tribe. Moreover, our tribe is perfect. We have nice houses and delicious food. If you are hungry, you can act spoiled to Lin Mu and ask him to cook for you. So nice, right?"

Qiuqiu thought of that too, so it doesn’t have many worries, "En, our tribe is really good, at least the food my owner cooked is very delicious."

"En, wait until we are grown up, we shall go out together. This continent is actually huge. My father said, as a beastman, we all need to gain experience from the outside world, but that is not allowed until we reach adulthood. Then we can go to many places and see a lot of different scenery. Plus we can eat a lot of different food."

Qiuqiu thinks it is a good plan, and said happily, "You will be responsible for making it for me then."

"En...alright, I will go to learn from Lin Mu." Looking at its wolf claws, Casso added, "but I have to wait until I can transform."

"It's fine since you already agreed."

"My owner is now married and will belong to Patrik alone. Patrik is so possessive. If I am really a beastman, he will not let me go. And I can't rub against my owner's arms anymore in the future. That makes me feel sad just from thinking about it." Qiuqiu said, pretending to be sad while looking at the distance.

Casso: "Qiuqiu, actually Lin Mu belongs to Patrik even if they didn't hold the ceremony. Didn't you see him staring at you viciously when he saw you being held by Lin Mu? Therefore, it is safer for you to keep some distance with Lin Mu in the future. "

And that would make me happy as well, Casso thought to itself.

Qiuqiu nodded. What Casso said made sense. Hence, it decided not to rub Lin Mu's arms in the future. As for everything else, it will just act as usual.

Casso was pleased when Qiuqiu nodded in agreement. Looking at the sky, it is really late, so it suggested, "Let's go back to sleep." As it said that, Qiuqiu jumped up and lay on Casso's back. Now that both of them have their own room, Casso doesn't need to stay in the same room with its father anymore. It feels terrific.

…

At Lin Mu's side.

The bathtub was placed in the storage room. Lin Mu touched the water, and it felt a little hot but quite suitable for bathing. Pulling down the curtain of the storage room, Lin Mu soaked in the tub, sighing comfortably. The wooden tub is quite big, and there is a small stool placed inside, which Lin Mu likes very much.

Earlier, Patrik watched as Lin Mu forgot to take his change of clothes and went to the bath. He did not say anything. After all, today is the wedding day. Moreover, he has 'fasted' for a few days. It's time to eat. Opening the curtain, he walked into the storage room. Lin Mu didn't notice because he has closed his eyes; the hot water made him sleepy. So this is what Patrik saw when he walked in: Lin Mu leaning back lazily on the tub, his handsome face and long hair made his delicate face even more exquisite. Maybe because of the hot water, his cheeks looked moist and tender. His delicate collarbone was exposed to the air, the crystal clear water couldn't fully cover Lin Mu's beautiful body because of his height. His slender waist and long, fair legs reminded Patrik the time when Lin Mu's legs clamped tightly around his waist during their 'passionate' time. Patrik's gaze deepened as he called out, "Mu Mu, you forgot to bring your clothes." His voice was very hoarse.

"En?" Lin Mu opened his misty eyes, but his consciousness was a little unclear for a moment. When he finally came to his sense, Patrik had already entered the tub.

Lin Mu became sober in an instant, "Why did you come in?"

Patrik chuckled and said with a slightly deep voice, "Didn't Mu Mu hear me just now? I'm here to bring you clothes."

Looking at Patrik's deep eyes, Lin Mu can see his desire burning in it, which made his face feel hot and he couldn't help lowering his head as he said, "But you don't need to enter the tub. "

However, the scene in front of his eyes made him more embarrassed, as he saw ‘little Patrik with angry veins’ when he looked down. Lin Mu quickly looked away. He couldn’t be any more familiar with that thing. He touched it before, stroked it, and even let it thrust arrogantly in his body, and it makes him... makes him happy. Just thinking of that extreme pleasure makes Lin Mu’s waist turn soft.

Lin Mu feels that he has become very le-wd, and even his ‘lil brother’ is waking.

Patrik looked at Lin Mu's shy expression; very attractive. He watched Lin Mu's long and dense eyelashes blink, and thought that it is adorable. Next, Patrik's eyes were fixed on Lin Mu's mouth. His lips were beautiful, just like his person. It's pink and tender, make one just want to hold it in their mouth. Patrik’s finger lightly pressed Lin Mu’s lips, it was very elastic. Using his thumb, he stroked Lin Mu's lips back and forth. Then he couldn't help lowering his head and started licking. En, the taste was as mesmerizing as ever.

"En~" Lin Mu couldn't help making little noises.

Lin Mu's voice got Patrik charmed. He stopped licking and pried Lin Mu's mouth open with his tongue. Then he began to run rampant in Lin Mu's mouth. On the other side, as if seeking treasure in a treasure hunt, his hands cares-sed everywhere, making Lin Mu mo-an continuously.

Gently kneading the red bean on Lin Mu's chest and listening to his impatient g-roaning, Patrik felt excited as if he has smelled from ‘a love flower’[footnote]probably flowers that have aph-ro-disiac effect[/footnote]. His passionate kiss went from the neck to the chest, and Patrik's tongue began to twirl around the two rosary peas. The tip of his tongue swirled around the red plums, Lin Mu couldn't help but instinctively tried to lift his chest higher and deliver himself to Patrik's mouth.

The voice of impatience grew louder, and Lin Mu couldn't help lightly biting his hand, "En~ … Patrik~"

After he had tortured the two red beans, Patrik took Lin Mu into his arms and let his back rest on himself. Although the barrel is big, Patrik still can't stretch his legs inside. He let Lin Mu sit on his lap, and held Lin Mu with one hand at the waist, lowering his head to drop light kisses his neck. Then his other hand reached into the water, opening and working in Lin Mu’s ‘mysterious area’.

At this moment, Lin Mu's whole body turned weak, and he could only making little noises from time to time.

"En~~!"

The entry of a huge intrusion made Lin Mu whim-per. He still hasn't fully adapted to the fullness when Patrik held his thighs and began to move him up and down, making Lin Mu called out uncontrollably.

"Ah~ Patrik... slower... so deep!"

After a dozen minutes later, Patrik turned Lin Mu around and make him sit down facing him. When the pair of slender legs clamped at his waist, Patrik blocked Lin Mu's lips while his lower body moving nonstop. They have been together for so long, so Patrik naturally knows where are the places that would make Lin Mu happy. He kept attacking the areas that would make Lin Mu lose control and yell.

"No...Patrik, Patrik...I'm going to die!"

"You mean you are going to die from the pleasure!"

The movements underneath did not stop in the slightest, looking at the dazed and pleasured person in his arms, Patrik felt happy that this person will belong to him from now on until forever. Looking at Lin Mu’s blushing face, Patrik was proud that he is the who make Lin Mu reveal such extreme beauty.

When the water in the tub became cold, Patrik had only came once. This naturally cannot satisfy him. He picked up Lin Mu, while they were still intimately connected. Then Patrik wrapped Lin Mu with the animal skin blanket he prepared and walked to their bedroom.

Lin Mu was still immersed in the aftermath of his climax. Because of the friction caused by the walking, Lin Mu could feel that something is slowly growing in his body, which easily evokes his desire that has yet to disperse. So Lin Mu hugged Patrik's neck and scolded, "Beast (Pervert)!"

Patrik bit at Lin Mu’s ear, which is the closest part to his mouth. He smiled and said, "I am a beast, not a bird[footnote]Pun on wordings, the word pervert in Chinese 禽兽 is made up from the word bird and beast[/footnote]." Then he thrust his waist forward on purpose, causing Lin Mu to let out an unexpected cry.

"Mu Mu, your voice is so nice."

"Pervert!" Lin Mu scolded Patrik in his heart this time.

...

Not everyone had such a good night. At least Locke felt sad that he was banned from bed by his partner on their first night, he thought that while laying on the ground. Of course, Sasha was not so cruel to make Locke sleep on the ground just like that. He kindly laid a thick layer of animal skin on the ground for Locke, so he would not get hurt by the ground.

The night gets deeper, but Locke couldn’t sleep, as he is thinking about a critical question. After thinking about it, he still feels quite unwilling to spend his first night on the floor, so he decided to give play to the advantage of beastman - being thick-skinned. Having thick skin is very important when getting along with their partner. All beastman knows that they must have thick skin in front of their female; otherwise, they are the one who will suffer. Locke knows this well, so he thinks he could just pretend to not hear what Sasha said earlier. Hence, Locke crawled into the bed quietly.

Sasha was about to fall asleep when he suddenly felt someone climbing onto the bed. Immediately opening his eyes, he asked, "Locke! Why are you up here?! You..."

Locke kissed Sasha's lips quickly and fiercely, followed by a series of intense kisses. Of course, his hands were not idle, and he promptly stripped Sasha off.

Sasha was dizzy by Locke's kiss and suddenly felt Locke holding ‘him’ in his hand. He asked strangely, "Locke, what are you doing?" Isn’t this what he uses to pee?

Locke kissed Sasha's lips again and said while kissing, "It will make you comfortable."

Sasha wanted to ask again, but a moment of pleasure and sensation caused his scalp to go numb, and he couldn't help gro-aning.

Actually, Sasha is really a pure child. Even though he is an adult now, he has never done ‘it’ himself. Even if he felt something down there, he would just wait for it to go away naturally. Of course, this is mainly because no one tells him about these things.

Sasha quickly became obsessed with this pleasure. After he shot once, Locke began to march towards the place he had longed for. Feeling weak all over, Sasha felt something strange from that shameful place all of a sudden. He immediately asked, "What are you doing? Get out." Sasha felt a little panic instinctively.

Locke can't upset his partner, he immediately thinks of a way to divert his attention, which is holding his beautiful ‘tool’ again, and make him fall into pleasure.

Crushing the fruit that he picked, especially for this occasion, Locke watched the thick liquid that exuded the light fragrance flow out, and immediately wiped it into Sasha's secret garden. With this thing, it will be easier for Locke to open and expand that place. In fact, this kind of fruit that is only the size of a thumb is a must-have thing between partners. This fruit can protect the

female from possible injury when they are doing it. But because most of the beastman in their tribe was expelled from the tribe early, and some even had never stayed in the tribe before, they naturally didn't know the knowledge that their father should impart to them. Talking about this, Lin Mu and Lais were actually quite unlucky.

The reason Locke knew about this was that Patrik told him. It turned out that Lin Mu always feel uncomfortable for a day or two after their exercises and Patrik became worried. After all, his dad had never had such a reaction before. So he felt that there must be something he didn't know about, and he asked Ba-Ao (remember the bear with a fox tail?)[footnote]Author's note[/footnote] who had stayed in a tribe for the longest time, only to realize that there is such a fruit to help the process. Moreover, this kind of thing can make females more enthusiastic, and it won't harm their body.

On the other hand, Sasha felt that his body has become so strange because he felt itchy there!

"Locke..." Sasha's eyes were hazy with tears.

"What's wrong?" Locke asked worriedly.

"Uncomfortable." Sasha aggrieved, "Itchy."

Sasha's words let Locke know what's going on. He immediately speeded up his hand movement until he finally entered Sasha's body. He looked at Sasha, but couldn't see if Sasha felt alright or not. But at this moment, Sasha finally belonged to him.[footnote]It doesn't sound bad in Chinese, but translated to English, I somehow managed to make Locke into a domineering pervert. Please know that Locke is not that > . < [/footnote]

As for the other two pairs, naturally, they are having a sweet time without any difficulties. Just that, it's obvious that Lin Mu and the females will not be able to get up tomorrow.
