

CREATING YOUR CANVAS ACCOUNT

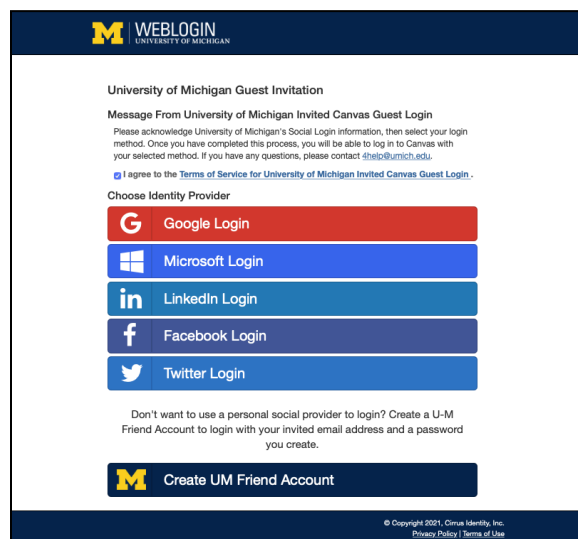

You will be invited to join one or more Canvas sites for your upcoming program, which will require you to set up an account.

Watch your email for a message from **4Help@umich.edu**, the University of Michigan IT Department, with a link to set up your account.

The **Cirrus Identity** link is the system used for account creation. It will provide you with two options for setting up your account:

1. Integrate with an existing social media account
2. Create a University of Michigan Friend Account

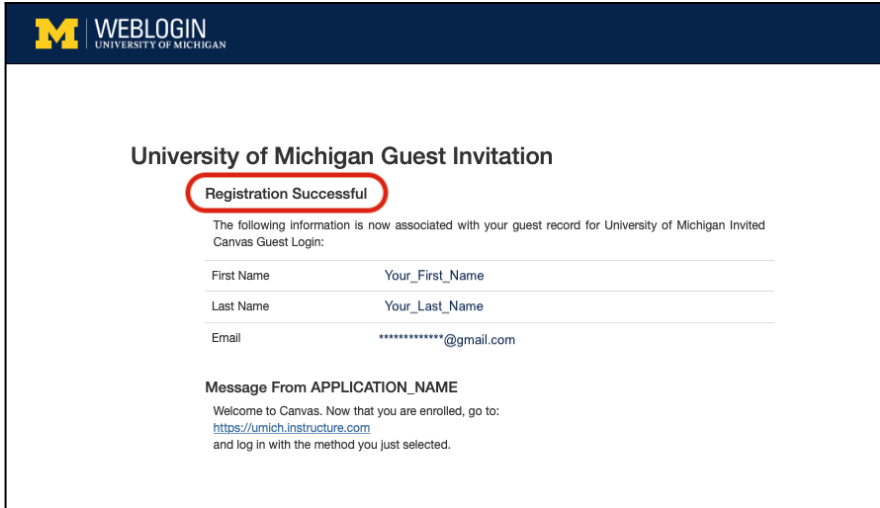

For both options, you will need to agree to the Terms of Service, which can be viewed in advance: [Social Login at U-M](#)

Use a Social Login

To connect your University of Michigan Canvas login to an existing account:

1. Agree to the [Terms of Service](#) to make a selection
2. Select a provider you have an account for
 - a. Note that you will **not** be able to switch your login provider after completing these steps.
3. Follow the on-screen instructions to confirm your identity.

Once completed, you will see a “Registration Successful” screen.

Message From APPLICATION_NAME

Welcome to Canvas. Now that you are enrolled, go to:
<https://umich.instructure.com>
and log in with the method you just selected.

Logging In

Each time you log into Canvas:

1. Go to <https://umich.instructure.com/>
2. Select the **Invited Guest** login option (on the right)
3. Select the Social Account you set up to log in, using the same service you set up in the previous steps

Create UM Friend Account

This option is a new account used only for logging into Canvas at the University of Michigan - Ann Arbor campus.

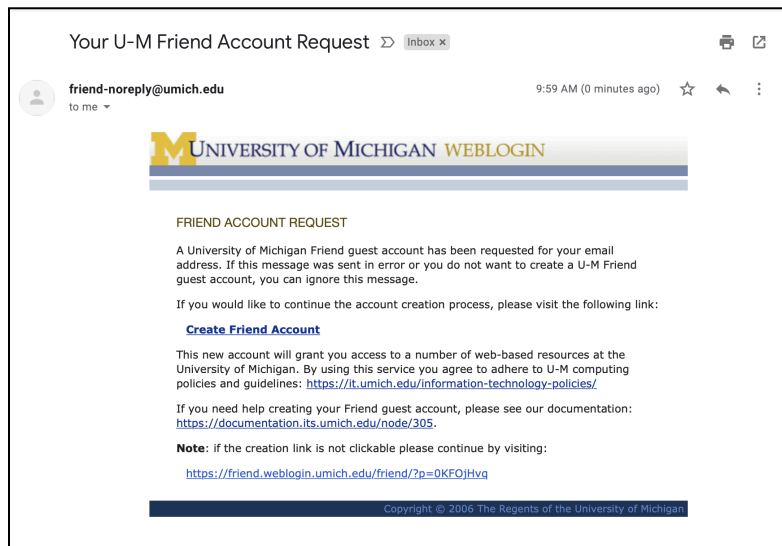

For this option, you must use the email address that the course invitation was sent to. If you would like to use a different email address, contact the program staff for a new invitation.

1. Click the Cirrus Identity link in the Course Invitation email
2. Choose **"Create UM Friend Account"** when asked to create your account.
3. On the Friend Account form, enter the email address the course invitation was sent to.
(Contact your program staff if you would like to use a different email address)

The screenshot shows the 'REQUEST A FRIEND ACCOUNT' form on the University of Michigan Weblogin page. It includes a header with the 'M' logo and 'UNIVERSITY OF MICHIGAN WEBLOGIN'. The form text says: 'REQUEST A FRIEND ACCOUNT: To request a Friend Account, enter your email address. Your email address will be used for your Friend login ID.' There is a text input field for 'Your email address:' followed by a 'Request' button. A 'Please note' section states: 'Friend account creation and login require that your browser accept "cookies." Please see your browser's documentation or help system for assistance enabling cookies.' At the bottom, it says: 'By using this service you agree to adhere to [U-M computing policies and guidelines](#).'

4. Check your email for a confirmation message from **friend-noreply@umich.edu**. Click the link to **"Create Friend Account"**

5. Re-enter your email address and set a password.
6. When successfully completed, you will see a confirmation message on the screen and receive a confirmation email.

Logging In

Each time you log into Canvas:

1. Go to <https://umich.instructure.com/>
2. Select the **U-M Login** option (on the left)
3. Enter the email address and password used when setting up your account
