

Fourth Quarter
Alford's English II Reading Challenge

Name: _____

Your goal for this project is to earn points per reading challenge you complete. **You are not expected to try and complete the entire challenge, only enough to get the points you want for your grade (maximum grade allowed is 115).** This will count as a **major test grade**. You will grade each reading A - F based on how much you enjoyed it. You will also **add your signature and the signature of a parent/guardian** verifying that you did indeed read the chosen assignments. **You must properly capitalize and punctuate all titles.** Readings we do as a class do not count toward this assignment.
