

Herbaceous's Terms of Service!

•Paypal or Cashapp Only, CASHAPP PREFERRED

•I work throughout the week. I do not have set days as I usually work 5-6 days a week!

I will always do lining first on all commissions before finishing one by one. If you are not okay with this, do not comm me.

•Timing usually to wait: 1 week to 1 Month

•HOLDS ARE ALLOWED, but only for 2 weeks! I will not start the work on the design until fully paid! Or Until part of the payment is upfront

• •Payment plans are allowed for a Month! I just wish for 15% upfront (In this case, either \$10-\$10.50 for \$70 or \$15 for \$100)

●100% prepayment, the deadline can be negotiated. The deadline specifies the most recent day of the art delivery date. I usually do it on time, but if I don't have time, then I will definitely let you know about it! Orders are executed in the order of the queue.

If you are searching for a specific date for your com/design to be finished, you must pay extra. Paying extra will give you priority and I will get your com/design done on time upon your date request.

●You have every right to request a screenshot of the stage of work.

●The money is not refunded if the line has already started to be made.
If getting a plan on a design, you are only eligible for 1/2 back if you back out 2 weeks later.

BACKING OUT OF SUCH WITHOUT A TRUE EXPLANATION WILL LEAD TO A BLOCK/BLACKLIST.

NOT CREDITING ME IF POSTED ON OTHER PLATFORMS WILL LEAD TO A BLOCK/BLACKLIST.
