

Yo (name),

I saw some of your reels and I love the dry and relatable humour!

I also checked out your private coaching and actually noticed an opportunity to get more clients.

Getting people to go directly from your linktree to booking a \$300 coaching session can be quite a big step.

That's why you should have a sales page in between that gives more information and builds trust.

Here's an example by a top relationship coach:

[Psychotherapy in the centre of Copenhagen | Julie Bohr](#)

If you wanna be sorted out, hit me back!
