

Summer School

June 10 - June 28, 2024

Omro School District

Mr. Wellhoefer, Elementary Principal

685-3100 or 303-2303

March 21, 2024

Dear Parents:

The Omro School District is again offering summer school classes to enrich and enhance student learning in various content areas, as well as the developmental reading and math classes we have offered in the past. We hope you will find something of interest for your child. Summer can also be a time for the enjoyment of learning and to maintain skills mastered during the past year.

Bus service will be provided from various group stops throughout our district and all LICENSED Daycare Providers. Please see the back page for more information on bus schedules. It is our hope that this will make it easier for children in the outlying areas to attend.

If your child has been recommended for booster reading or math class, you should have received a sign-up slip from the classroom teacher. If you did not receive a form, but feel that your child would benefit from booster reading or math classes, or if you have any questions, please contact me.

When registering, if your child is going into 1st grade and above, please note that it is possible for your child to schedule more than one class for the summer. Incoming 4K & 5K students stay with the same teacher for the entire summer school day. The grade level listed for courses refers to the grade your child will be entering next fall for the 2024-25 school year. The dates for this year's program are **June 10 to June 28th**, Monday through Friday from **8:30 a.m. to 11:45 a.m.** at Omro Elementary School unless otherwise noted on the class description. Please mark down the class(es) you have chosen for your child. You will only be contacted if your child cannot be placed in the class(es) you have requested. If you have questions, please call me at 685-3100 or 303-2303.

Here is the [link](#) to sign up for summer school courses. Sign-up will close on April 12th.

Sincerely,

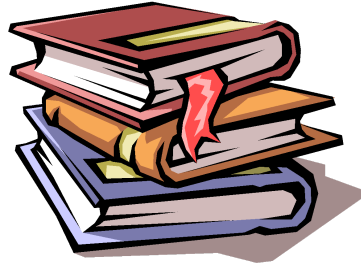

Dave Wellhoefer
Elementary Principal

Course: **Ducktastic Creations for Beginners**

Teacher:: Mrs. Stafford

Location: OES Room #72 (yellow pod)

Grade Level: Grades 3-5 Section A 8:30 - 10:00 am

Description of Course: Do you like making things? Have some creativity inside of you that is just bursting to get out? Want to learn a new and unique way to make many items such as jewelry, flip flops, carrying bags, hair accessories, belts, baseball caps, book covers, wallets, purses, and more? If so, then Ducktastic Creations is the summer school class for you! Come join us as we learn many new ways to use duct tape. Yes, duct tape. It's not just for holding things together anymore!

Supplies needed: Each student should bring at least 4 rolls of duct tape – your choice of colors. (The suggested brand to get is Duck Brand duct tape.) Walmart's prices range from \$3-\$6.67 per roll, with lengths from 10-20 yards. Many bright colors are on the cheaper end while patterns get a little more costly. Menards, Hobby Lobby, and Joann Fabrics also have a nice selection. Students might also need to purchase more duct tape depending on projects they choose to make. **Please attempt to get Duck Brand crafting duct tape. No utility duct tape. Off brands ruin the teflon scissors. Also, please start saving Pringles, soup, fruit, vegetable and other tin cans for the class and send them to school with your child once class begins.**

Bring your critical thinking and problem solving brain and experience the feeling of success each day as you work through challenging activities!

Class Limit: 15

COURSE: **Ducktastic Creations 2 for Advanced Duct Tapers**

TEACHER: Mrs. Stafford

Location: OES Room #72 (yellow pod)

GRADE LEVEL: Grades 4-8 (For students who have taken previous duct tape classes) Section B 10:15 - 11:45 am

Description of Course: Did you have a blast working with duct tape? Would you like to see what's new to make out there in "Duct Tape Land?" Maybe you want to improve on your skills with duct tape? Then you will want to attend Ducktastic Creations 2. This class will be geared towards improving your skills and challenging yourself to tackle more difficult projects. There are a lot of new creations out there waiting for you to make! If we get tired of duct taping, we can take a break from it and explore other projects such as loom banding, friendship, or t-shirt bracelets depending on the interest of the group. .

Supplies needed: Each student should bring in at least 4 rolls of duct tape. Depending on the projects they decide to make, they may need more. We may also need other items depending on the interests of loom banding or t-shirt bracelets. Notes will come home for additional supplies, if needed. **Please attempt to get Duck Brand crafting duct tape. No utility duct tape. Off brands ruin the teflon scissors.
