Some Frequently Asked Questions (FAQs)

Who's this product for?

This product was designed to help freelancers, consultants, sales managers, and marketers arrange stress-free interactive meetings with their clients and audience using the power of our AI copilot.

Till now, we've helped over 12000 people with their daily meeting lifecycle and allow them to be more productive by spending their time on improving and optimizing their products instead of writing agendas, meeting summary, action list, and so much more themselves.

Why should I buy this tool & not any other one?

We've been operating Sessions for over 3 years and till date we've onboarded over 12000 freelancers, consultants, sales managers, and marketers and help them to make their meetings stress-free.

Here are some of the testimonials from our clients:

"This is perhaps the most polished, well-functioning piece of software I've ever bought on AppSumo. I've changed ALL my meetings to the platform and I'm seriously consider buying the highest tier although it's pricy and I don't really need it for now. It's just that good! I love the ease of use, the UX, the transcriptions, that your participants doesn't have to download anything and that everything is stored." - **Andreas**

"Sessions dev team is very hardworking. Since Launch of the product, we are receiving continuously product new features updates. The current version of Sessions is a direct evidence how dev team is sincerely hardworking behind this awesome product. Thanks!"
-**Shalendra**

We also have got 4.7/5 rating on G2, 4.8/5 on Trustpilot, and 4.5/5 on Capterra!

Your prices are expensive. Why should I buy this tool?

Our current monthly subscription starts from \$119/month and goes up to \$719/month and even more for custom enterprise plans (which are still affordable when compared to Zoom).

However, we're offering a limited time no-brainer lifetime deal, starting from just \$229. This is just a one-time payment. You don't have to pay again - NEVER, EVER!

What payment methods can I use to buy?

Simply, click the "Buy now" button, and you'll be redirected to the payment page. You'll have 3 payment methods available: PayPal, Stripe (Credit/Debit Card), and Google Pay.

Is your website secured?

We're using advanced encryption technology to make your data secure. So, you can pay with confidence.

What will happen after I make the payment?

Once you make the payment, you'll then receive a welcome email with temporary login details.

Login to your account and make sure to reset your password. It's done!

I have more questions. How can I contact

If you still have any questions at all, contact us on our email "abc@sessions.us", and we'll help you to make your onboarding process as smooth as butter:)
