Dear Parents/Carers

County Lines talks

Three schools in Billericay, including Sunnymede Junior School, are holding talks for parents/carers on County Lines. County Lines is the term used for where illegal drugs are transported from one area to another, often across police and local authority boundaries. Unfortunately, County Lines is taking place in Billericay and that is why we wanted to hold talks for parents to educate them about this issue.

The talks will take place in the schools below, starting at 7.00pm, and they should last 1.5 hours. Peter Wilson, who is a former police officer who worked on the issue of County Lines, will be leading the talks.

Parents/Carers are welcome to attend any of the talks; they don't necessarily need to go to their school. However, there is a limit on numbers for each school. Parents/Carers will need to call the school office that is holding the talk to book a place, should they wish to attend.

We do hope you will be able to attend. Details are below.
