

Application form for adopting Open Science practices¹

1. Funding sources

- ✓ Was this work funded by research agencies or other funding sources?
- ✓ If yes, please specify:

2. Preprints

- ✓ Is the manuscript a preprint?
- ✓ If yes, on which servers is it hosted?

3. Conflicts of interest

- ✓ Are there any potential conflicts of interest of a financial, personal, or professional nature in the preparation and publication of the manuscript?

4. Individual author contributions (for multi-authored articles only)

Specify the individual contribution of each author according to the following criteria: (1) Conception of the article; (2) Data and/or document research; (3) Data and/or document analysis; (4) Discussion of results; (5) Writing and revision of the manuscript. Indicate only the corresponding numbers next to each author's name, as shown in the example below:

- ✓ João da Silva: 1, 2 e 4
- ✓ Maria dos Santos: 2, 3 e 5

5. Research data availability

Are the data underlying the manuscript fully available and without restrictions, or will they be so at the time of publication? Please bold the option that applies:

¹ This document was inspired by the Open Science Compliance Form of the SciELO Brazil Collection.

Yes:

- ✓ The contents used in the research are included in the manuscript.
- ✓ The contents are already available:
- ✓ The contents will be available at the time of publication of the article

If you selected the last two options, provide URLs, DOIs, or other necessary information for access.

No:

- ✓ Data are available upon request to the reviewers
- ✓ After publication, the data will be available upon request from the authors (condition justified in the manuscript)
- ✓ Data cannot be made publicly available. Justify:

6. Use of Artificial Intelligence (AI)

- ✓ Were Artificial Intelligence (AI) tools used in the preparation and writing of the manuscript?
- ✓ If yes, which tools were used?
- ✓ Bold the applicable items:
 - ✓ Grammatical and/or spelling revision of the text
 - ✓ Translation of the text and/or excerpts
 - ✓ Literature, data, and document search
 - ✓ Documentary and data analysis
 - ✓ Preparation of graphs and/or figures
 - ✓ Manuscript drafting (writing)

✓ Assistance with generating references

✓ Other uses: please specify:
