

MORRISTOWN CENTRAL SCHOOL UPK REGISTRATION

If you are a resident of the Morristown CSD and have a child who will be four years old on or before December 1, 2024, your child is eligible to attend the Morristown CSD whole day Universal Pre-K Program. The Morristown CSD UPK Program can help your child develop important skills that will help them succeed in Kindergarten and beyond. We hope that you will consider enrolling your child in this program, as research has shown that there are huge benefits, such as:

- Children who participate in Pre-K programs are better prepared to start school. They also score higher on reading and math assessments.
- Students who attend Pre-K programs have been shown to have better attendance and fewer behavioral issues.
- They are exposed to early learning activities that boost creativity, problem solving, and social development.

If you wish to enroll your child, please return this completed form by May 1, 2024:
