

1. Why are the birds chirping at each other at the beginning?

They were fighting (loud)- Tessa

They were bumping into each other-Matas

They were annoying each other-Hritvik

2. Why are the birds laughing with each other?

The big bird looked funny(Dawid)

They were making fun of the big bird (making faces at the big bird)-Matas

One of the little bird was trying to look like the big bird (Nikita)

The little birds were making funny noises (Van)

The little birds were making chicken noises (imitating the big bird)
Nathan

3. Do the little birds want the big bird to sit with them?

No they don't because the big bird weighs too much (he was bigger, the rope tugged down)- Holly

The big bird was bigger and taller so he kept going down (clue to why he weighed more)- Madeleine

No because he is an older them (when you are a kid your voice is light...when you grow up your voice gets deeper)- Lucas

4. What do the little birds decide to do to the big bird?

They picked at his feet- Thomas

They wanted the big bird to fall off.

They did not want the big bird on because they did not like him so they pecked at his feet to get him off- Nduku

5. Why is the big bird laughing at the end?

He is laughing because the other birds have lost their feathers- Taerin
