SCENE 1 — Elsa Berjalan di Hutan

FIRST FRAME — Elsa walking (wide front shot)

IMAGE PROMPT:

A wide cinematic Frozen-style shot of Elsa walking calmly through a snowy forest. Soft blue ambient light, gentle falling snow, tall thin trees in the background. Camera is at chest level in front of her, showing her walking forward with soft footprints behind her. Magical atmosphere, high detail, Disney-quality.

LAST FRAME — Elsa stops in shock, looking down (wide back shot, angle lowered)

IMAGE PROMPT:

A wide cinematic shot from front Elsa as she suddenly stops in shock. The camera slightly

lowers angle to show a huge, already-existing monster footprint in the snow in front of her. Forest background stays exactly the same. She is looking down at the footprint. Gentle snowfall, calm atmosphere.

IMAGE-TO-VIDEO PROMPT:

A cinematic Frozen-style motion sequence. Elsa walks forward calmly through a snowy forest. Camera slowly zooms out wider while keeping the same background. She suddenly stops, eyes widen in shock. The camera gently lowers and pans downward to reveal a huge monster footprint already in the snow in front of her. No footprint forming — it is already there. Smooth motion, magical lighting, soft snow particles.

SCENE 2 — Bayangan Monster Muncul

LAST FRAME — Monster running toward Elsa

IMAGE PROMPT:

A cinematic Frozen-style medium-wide shot from behind Elsa as the giant ice monster charges forward, smashing snow with each step. Its blue eyes glow, snow bursts around its feet. Elsa raises her hand slightly, preparing magic.

IMAGE-TO-VIDEO PROMPT:

Fog thins out as the massive ice monster steps forward, then accelerates into a full charge toward Elsa. Snow explodes with each step. Camera gently shakes for impact. Elsa takes a defensive stance. Dramatic lighting, intense tension.

SCENE 4 — Elsa Menggunakan Sihir Untuk Melawan

FIRST FRAME

Monster charging (from Scene 3 last frame)

LAST FRAME — Elsa surrounded by swirling ice magic

IMAGE PROMPT:

A dramatic Frozen-style shot: Elsa raises her arm high, creating bright swirling ice magic around her. Blue spirals of frozen energy swirl with motion blur. The monster is very close, roaring, snow flying around.

IMAGE-TO-VIDEO PROMPT:

Elsa lifts her hand, unleashing glowing blue spirals of ice magic. The magic swirls around her with high-speed circular motion. The monster roars and smashes the ground as it gets close. Bright blue lighting, magical particle effects, cinematic drama.

SCENE 5 — Elsa Mengalahkan Monster

FIRST FRAME

Elsa using magic (from Scene 4 last frame)

LAST FRAME — Magic blast hitting monster's chest

IMAGE PROMPT:

A powerful Frozen-style wide shot: Elsa's magic blast connects with the monster's chest, causing giant cracks of glowing blue ice to spread across its body. Snow explodes outward, bright energy fills the scene.

IMAGE-TO-VIDEO PROMPT:

Elsa thrusts her arm forward, firing a massive ice-energy blast. The magic beam hits the monster's chest. Cracks spread across its icy body, glowing blue. Snow bursts outward from the impact. Cinematic slow motion and bright magical light.

SCENE 6 — Monster Kalas, Hancur

FIRST FRAME

Magic blast impact (from Scene 5 last frame)

LAST FRAME — Monster shattered into ice pieces

IMAGE PROMPT:

A wide Frozen-style shot: Elsa stands calmly in the snowy forest as the monster lies shattered into large ice chunks on the ground. Soft snowfall continues. Gentle blue glow fading from the broken pieces.

IMAGE-TO-VIDEO PROMPT:

The cracks on the monster glow brightly, then its body explodes into icy fragments. Pieces fall to the snowy ground with soft thuds. Elsa lowers her hand, breathing calmly as snow settles. Camera slowly pulls back wide. Magical quiet ending.
