

AFFIDAVIT FOR ARTICLE SUBMISSION

DATE (day/month/year): / /

Title of the article:

Section:

- Original article Case report Review article Special article Letter to the editor
 Editorial

I, the author, hereby declare that:

- I know and accept the publication conditions stated in our “Guidelines and instructions for authors”.
- The article is an original manuscript and has not been published neither, in its entirety nor partially, in a different scientific journal. Additionally, it is not the byproduct of scientific fraud, plagiarism or copyright issues and won't be published in a different scientific journal until a final decision has been received.
- In case of publication, we will keep our copyrights and will surrender our publication rights to the scientific journal.
- We, the authors, understand that we will not receive, and won't demand, royalties or other forms of compensation for the publication of this article.
- In case of contravention to any of the points above, on behalf of all the authors, I exempt the Medical Oncology Peruvian Society scientific journal from all responsibility and declare ourselves accountable for all consequences derived from it.
- The manuscript contains research that involves human beings and has been approved by an institutional ethics committee (for the case of original articles). Additionally, it has been institutionally authorized for publication (applicable for case reports).

Authorship contribution declaration:

NOTE: We advise you to go over the authorship criteria recognized by the International Committee of Scientific Journal Editors (ICMJE) (Access link: <https://www.icmje.org/>).

Example: DCU y LOD participated in the conception/design of this article, data collection and result attainment, writing and final draft approval. DCU carried out the data analysis, y LOD secured the funding and was in charge of writing the manuscript and the approval of its final draft.

Declaration of funding sources:

Declaration of conflict of interest:

Has this research been previously presented in a congress or symposium?

- Yes. Indicate which: _____
- No.

I hereby sign this affidavit on authorized behalf of the authors, declaring myself responsible for all correspondence throughout the revision and eventual publication of the article.
