6th Annual Holyoke Community Dinner Winter Wonderland

Since 2016 the Holyoke Community Dinner has brought food and entertainment to Kelly school serving over 300 residents of Holyoke. In the past residents have had the pleasure of enjoying music spun by Holyoke's well-known DJ Edski, spoken word provided by Holyoke High School Students, Bomba y Plena instructed by Brendaliz Cepeda & Company and Arts & Craft activities led by Flor Delgado of the Toepfert Boys & Girls Club, Face Painting by Luna Designs, Learn In Motion, and many other activities.

None of this would have been possible were it not for dedicated group of local sponsors that value Community and Relationship building. Last year was different. We hosted an outdoor Winter Wonderland event with Ice Sculptures, Light Displays, Character Inflatables and a box of food with all the fixings for a Holiday dinner to families in the community. Thanks to the support of a dedicated group of local sponsors that value community, we distributed 300 bags of groceries, enough for 3000 meals. This year we hope to build an even better outdoor attraction in the Flats for everyone. We are seeking Community Sponsors in order to once again provide residents with a wonderful night out and a free holiday meal.

Please consider contributing, let's partner on Building and Strengthening Community.
