Dear Covillaud Families,

Here's what your students have been learning about this month! With me and their teachers! At the bottom is a list of resources for families. Please, always feel free to reach out to me with any questions or how to implement Responsibility at home!

2nd-5th Resources

Mr Brown Responsibility Videos
Mindful Maya and Responsibility
Brainpop: How to be a good citizen
KidPresident-How to change the World

TK-1 Videos
Sesame Street-Raise your Hand
Sesame Street Citizenship Playlist
Sesame Street Respect Video

Think Sheet options:
Little Spot Think sheet
Respect Think Sheet (for saying something hurtful)
Generic think Sheet
Draw it Think sheet

Additional Classroom Lesson Plans:
Random Acts of Kindness is a great website with K-5 SEL lesson plans. Some I will be doing with classes, some involve a little more prep time, but some are great!

2/3: Responsibility Lesson

Especially for families:
Own your Actions Youtube video
Printable Chore Chart-We are working on responsibility at school, but it's also important to be responsible at home. Choose 1-3 age appropriate activities or chores and make a chore chart for your kids. Talk with them about what responsibilities belong to them and ask them what they think should be added to the chart. We will be talking about this as a class, too. Make sure to ask them lots of questions about what it means to be responsible at school, home and in our community

Preschool-adult, age-appropriate Chore list
