

# SUNDAY FEATURE TABLE RESERVATIONS

*Please fill in your contact name and telephone number for all reservations.*

## Notes about TABLE Reservations:

- Tables can be reserved for no more than two consecutive weeks for the same ministry and event or activity. A table can be reserved for additional weeks **only** if there is space available at the end of the original two week reservation.
- Please attempt to limit reservations of the Foyer Table to one week. If it is important to be in the Foyer for both weeks, that is permitted; however, any subsequent reservations must be for one of the Auditorium Tables.
- Facilities Management has final control of use of the tables.
- If there is no space available and your ministry needs a table, please do talk with those who have reservations. Consider sharing table space as a solution.
