

Tournament Volunteer Instructions

Thank you for volunteering to work at Tournaments! Without volunteers, there would not be a tournament!

As a volunteer who works with our students, you will have an Edina volunteer background check done, at a cost of \$16. This ensures the safety of all of our children.

Our tournaments are put on by High Tech Kids, a FIRST partner organization. Please check out the volunteer page of their website:

Check out the variety of jobs available at "[Event Volunteer Roles](#)." There is a way for everyone to contribute, from those with no experience to Robot Inspector. Information sessions and training may be necessary. You need to register and attend at least one High Tech Kids FTC training (2.5 hours) and two High Tech Kids FTC [Qualifier Tournaments](#). **Please [sign up here](#).**
