been committed to working alongside the Jasper County Council for funding and has applied for several grants. These grants would help provide funding for increased staffing. Sheriff Malphrus has been, and will continue to be committed to making sure increases and improvements come at little to no cost increase to the taxpayers.

When Sheriff Malphrus took office in January 2017, there were two deputies patrolling Jasper County as a whole each shift. In 2016, one of Sheriff Malphrus' commitments was to increase patrolling coverage for the citizens of Jasper County. Since taking office, the current patrol shift coverage has increased to a minimum of five deputies, broken down into four zones per 12-hour shift.

As Sheriff, the mission I embraced for Jasper County was to protect the lives, property, and rights of all citizens. To work alongside our deputies, helping, coaching, and providing the necessary training to keep our county safe.

I have received national awards for many of my record breaking drug related seizures and was directly involved in starting the drug interdiction program. I have been able to train all over the United States as well as trained in combat with the latest trends in the criminal and drug arena. Throughout my law enforcement career I have had some of the best and most advanced training available, and I am currently finishing up my Bachelor's degree in criminal justice field.
