I have been teaching for 27 years. I earned a Bachelor's of Science degree in Secondary Mathematics Education from Our Lady of Holy Cross College in New Orleans in 1998. I am originally from Chalmette and graduated from Archbishop Hannan High School in 1994. I have been teaching at PHS since January 2006. I am also a National Board Certified teacher in AYA Mathematics.

I have a wonderful husband of 27 years, David, and an amazing daughter, Hallie, who is a 2020 graduate of PHS. I have 5 cats - Tiger, Bella, Smokey, Willow, and Lucy. In my spare time, I enjoy reading, painting, and spending time with my family.

At PHS, I currently teach honors geometry. I am excited for another great year!
