

Privacy Policy for Mondrian Grid

Effective Date: June 1, 2026

At Hamdy Apps, we are committed to protecting the privacy of our players. This Privacy Policy explains how we handle information in our mobile game, Mondrian Grid.

By downloading and playing the Game, you agree to the collection and use of information in accordance with this policy.

Information Collection and Use

A. Local Data Storage (Hive)

Mondrian Grid is a client-side puzzle game. All gameplay progress, including unlocked levels, completed level achievements, creative canvas paintings, BGM/SFX settings, and local statistics, is stored locally on your device using safe local persistence (Hive).

- We do not host external game databases.
- We do not collect, store, or transmit your name, email address, phone number, or physical location.

B. Third-Party Services & Ad Networks

To support the Game and provide the sequential hint engine, Mondrian Grid displays third-party advertisements served by Google AdMob (Google Mobile Ads SDK).

When you play the Game, Google AdMob may automatically collect and process certain non-personally identifiable information, including:

- **Device Identifiers:** Your mobile device's Advertising ID (such as Android's Advertising ID or iOS's IDFA).
- **Usage Data:** Ad impressions, user interactions with ads (clicks, views), and in-app events associated with ad delivery.
- **Technical Information:** Device model, operating system version, cellular carrier, internet connection status, and IP address.

Google AdMob uses this data to deliver personalized, relevant advertisements, analyze ad campaign performance, and perform network diagnostics.

Links to Third-Party Privacy Policies

The Game incorporates third-party SDKs that process data independently under their own

terms. We recommend reading their privacy policies:

- **Google Play Services:** <https://policies.google.com/privacy>
- **Google AdMob & Partner Networks:** <https://policies.google.com/technologies/ads>

How to Opt-Out of Personalized Ads

You can opt-out of interest-based or personalized advertising directly from your mobile device settings:

For Android Devices:

1. Open your device's Settings app.
2. Navigate to Google > Ads.
3. Tap *Opt out of Ads Personalization* or *Reset advertising ID* to clear your ad history.

For iOS Devices:

1. Open your device's Settings app.
2. Navigate to Privacy > Tracking.
3. Turn off *Allow Apps to Request to Track* or disable tracking permissions for Mondrian Grid.

Children's Privacy (COPPA)

Mondrian Grid is intended for general audiences aged 13 and older. We do not knowingly target or collect personal information from children under the age of 13. If you are a parent or guardian and believe your child has provided personal information to our partner services, please contact us, and we will work with our partners to remove the information.

Security of Data

The security of your device's local storage is managed by your operating system. Since no personal data is transmitted to our servers, there is no risk of cloud database breaches. However, we advise keeping your device's operating system updated to secure local files.

Changes to This Privacy Policy

We may update our Privacy Policy from time to time. We will notify you of any changes by

posting the new Privacy Policy on this page and updating the "Effective Date" at the top. You are advised to review this Privacy Policy periodically for any changes.
