

Acorns

Children may engage in some of the following play experiences.

Spark: The children have been talking about wanting to be an astronaut.

Focus: Space

The children will be using books and the internet to learn about space. They will also be using their fine motor skills to help make moon rocks and moon sand.

Spark: The children have been hopping in the playroom.

Focus: Traditional Games

The children will be trying some traditional games such as hopscotch, skipping and throwing games. They will be practising their gross motor skills and playing energetically.

Spark: The children have been very engaged using different natural resources to make transient art outside.

Focus: Painting Stones

The children will be using their artistic and creative skills to paint stones with whatever picture they choose.

Spark: The children have been exploring the different plants in the garden.

Focus: Planting and Digging

The children will be observing the natural environment in the garden and safely using real tools to dig and plant seeds.

Spark: The children have been learning how to take turns outside while sharing bikes.

Focus: Indoor Boardgames

Children will be playing a variety of board games and learning how to take turns.

Spark: The children have been exploring clocks and time.

Focus: Calendars and routine

The children will be exploring different ways to record daily routine and the seasons through calendars.

Spark: The children have been exploring different letters through games.

Netherlee Nursery Class
Fri 28st April – Fri 5th April 2023

Focus: Letter Hunt

The children will be searching for different letters that have been hidden in the nursery.
