

Annotations Deep Dive Handout

CREATING TEACHER ANNOTATIONS

1. Highlight text. An annotation box will appear.
2. In the annotations box, select a color and enter your annotation.
3. Click Share.
4. Click the annotation again to modify, unshare, or delete it. Clicking delete in the annotations box deletes both the highlighting and any annotation text.
5. To have students respond to the annotations you left, instruct students to press “reply,” and type their response.
