

Eazi-Sites 2 Minute Pitch

Hi, good morning/afternoon. My name is [NAME], and I am a local partner for Eazi-Sites.

We specialise in increasing revenue for small businesses through digital toolkits and website solutions.

Have you ever thought about how your business's online profile stacks up against your main competitors?

Your customers' journeys start online. It is critically important to have the right information out there and to develop the digital doorway to your business.

Today, we are offering 10 free comprehensive snapshot reports to any business here that wants to see how they are positioned on Google local listings, social media, website performance and SEO rankings! This snapshot will open your eyes and help you see how you can improve with your online strategy.

Please come and see me at the end if you are interested in seeing one of these for your business.

Eazi-Sites brings you cutting-edge, easy-to-use website solutions to help your business increase traffic and sales.

If you are not engaging your customers with a great website, you are losing sales to your competitors. Furthermore, developing an effective website strategy requires specialist skills, can be time-consuming and expensive.

We understand the challenges businesses are facing online. We have already helped 1000's of businesses with their own branded website. We take care of all the complexities of getting your website published and indexed correctly on Google.

- 57% of internet users say they won't recommend a business with a poorly designed website on mobile
- 88% of online consumers are less likely to return to a site after a bad experience
- 47% of Users expect a maximum of 2 seconds loading time for an average website

The website landscape is constantly evolving and with Eazi-Sites you can stay ahead of the curve by leveraging our state of the art technology.

Just some of the benefits of Eazi-Sites include:

- Increasing traffic and sales with websites that are built for SEO
- Bringing new revenue streams to your business through our e-commerce offerings
- increasing conversions with our unique website personalisation
- Increasing business efficiencies with digital processes

And this is just the tip of the iceberg!

If you would like more information or to see some live websites you can visit, please let me know. We are also happy to schedule a free, no obligation consultation for your business to show you how our products can benefit your bottom line.
