Keywords: List here at most 5 keywords of your research

Following content must be maximum 4 pages.

1. Introduction

It includes statistics, justification and motivation about the study. It must contain goal, research question and scope of the research. You should provide an overview of the methodology and the main findings.

[illegible]

0. Literature review

It describes the state-of-the-art body and analyzes the most representative studies related to the research project. It must include a summary of methodological and practical gaps identified by authors that clearly positions the main contribution of the research.

[illegible]

0. Methodology and procedures

This section provides a description of the theoretical framework you applied to do research, the main methods and techniques used to collect data, perform analysis, etc. Please number formulas to ease explanation elsewhere in the manuscript by citing the numbers of equations, inequalities, etc.
