

CALL FOR STUDENT MOBILITY TO STANISLAW STASZIC UNIVERSITY OF APPLIED SCIENCES IN PILA, POLAND

Since its founding on August 1st, 2000, Stanislaw Staszic University of Applied Sciences in Pila has become an important part of the city landscape, and though this is a short period, various consequential or even revolutionary socio-political changes have taken place in the country during this time. The changes had a profound effect on social and political life; the economy developed on new market rules; and we have been learning democracy as well as self-government.
