Mrs. Carr, Mr. Elmore, Mrs. Kovacs, Ms. Ledek, Mrs. McQueary, Ms. Poole

Families,

Thank you for your continued support of your students' learning. Please read below for classroom updates!

What We are Learning:

Language Arts

- Next week students will be practicing reading fluently and with expression through a reader's theater.
- Later in the week we will be practicing comparing and contrasting our school with another school from around the world.

Math

- In math we will be learning about solving word problems using the bar model (part-part-whole) and solving using strategies learned in class.
 - Strategies include: Make a Ten, Add it Up, and Expanded Form.
- We will also be introducing a new strategy to solve addition and subtraction problems: Number Line.

Science/Social Studies

- Students will be learning the cultural origins of foods in the United States.
- On Wednesday we will start a new unit and shift to Science! We will be learning about sound! We will be exploring vibration, volume, and pitch.

Positivity Project:

- This upcoming week we will be learning about [Prudence](#) through Positivity Project.

Field Trip Information

- In your student's Friday Folders this week you will find information about the two field trips we will be doing this school year. Please be sure to fill out all of the pages (front and back!!) and pay for the field trip online using this following link:

- <https://osp.osmsinc.com/WakeNC/BVModules/CategoryTemplates/Detailed%20List%20with%20Properties/Category.aspx?categoryid=AG178>
 - We are also planning to create a 2nd-Grade field trip t-shirt to allow classes to safely stay together when out of the building. More information to come on this soon from your Room Parent!
 - If there are any financial difficulties please reach out to your classroom teacher.
