

Instructions for Students:

Students: please use these instructions to gain access to the Google Classrooms for the classes on your schedule (this is also being handed out in Parent Packets at Chromebook distribution). You may also receive invitations in your Gmail from your teachers with Google Classroom codes. Using either way to join is okay.

Please join the Google Classroom for ALL ROGERS STUDENTS using code: [2czjdh4](#)

1. To access your schedule, sign into [Parent Portal](#) using the following instructions: [Student Portal Instructions for Students](#). The below image also provides phone numbers for Technology Support.

A blue poster with green and white text. At the top, it says 'TECHNOLOGY SUPPORT!!' in large green letters. Below that, it asks 'Are you in need of technology assistance?' and lists common problems: 'Need help setting up chromebooks, connecting to your home networks, or associating Chromebooks to TPS hotspots?', 'Or, is your student login account not working, have a broken keyboard or screen, power cords no longer working or was your Chromebook lost or stolen?'. It then says 'We're here to help!' and provides three phone numbers: 'PLEASE CALL: 419-351-8658 MONDAY - FRIDAY', '419-671-8750 MONDAY - FRIDAY', and '419-351-0485 MONDAY, WEDNESDAY & FRIDAY 8:00AM TO 4:00PM.' An illustration of a woman with dark hair in a bun, wearing a red shirt and blue pants, sitting on a stool and using a laptop is on the right. A small logo for 'TPS ParentCares' is in the bottom right corner.

3. Use your schedule to determine what google classrooms to join by using this spreadsheet: [Rogers HS Google Classroom Codes](#) (i.e. you have Mr. Brooks for 4th hour, the google classroom code would be 6waz7vo).
