

Thursday's Thoughts Thursday, February 16, 2022

Good evening Highland High School families I hope that this finds you well, warm, and safe, this is Mr. Zack and here are your Thursday's Thoughts for February 16, 2023. There are 7 items of interest to follow. If you miss any part of the message, please visit the Highland High School webpage on our Live Feed where there is a link to view this in its entirety as well as a link having been emailed to your primary email account.

1. Is your student interested in attending the Hammond Area Career Center next year? This is a reminder that the 2023-2024 ACC Online application will close on Friday, March 17, 2023. There are TWO parts to the ACC application: An online [Google Form](#) and a [Parent Permission Form](#). Program choices can be found on the [Hammond ACC website](#). Please feel free to email your student's counselor with any questions.
2. It might be cold outside but Spring is right around the corner and so is the Highland Bands Spring Craft & Vendor Fair! Showcasing a variety of crafters, vendors, and artists who are ready to help with those Easter, Mother's Day, or Graduation gifts.

Come see us on March 4th between 9am-4pm at the Highland Middle School and support local small businesses and help raise funds for our Band programs. Oh, and don't forget about the bake sale, raffles, and Food Truck too!

Then just one week later, the STOH Music Department will be hosting the 5th annual Mattress Sale - on Saturday, March 11. Please mark both dates on your calendar and see the fliers attached to this email.

3. Attention Parents of Juniors!
Please mark your calendar for Wednesday, March 1st!
All students in Grade 11 (Class of 2024) will take the SAT during the school day on [Wednesday, March 1, 2023](#). All other students in grades 9, 10, and 12 will have an asynchronous eLearning day that day.
This is a required test for all juniors, regardless of their post-secondary plans. Their score does NOT impact their ability to graduate; however, school-wide participation does affect our overall school grade.
This is a college-reportable score. Students will have the option to send their scores to up to four colleges. If your student would like to practice in advance, they are encouraged to visit: <https://www.khanacademy.org/sat>. Please note this date and make every effort to have your student in school during the morning.
4. Tutoring with Teachers has returned this quarter - [the schedule on the HHS website](#) has been updated with that new information!
5. HEF Trivia Night information can be found attached to this email. A great time to be had all while contributing to grant opportunities for our school town staff's innovative ideas enhancing our students' experiences. Get a team together and let's play!

6. Last week, our STOH School Board of Trustees approved the corporation to seek additional income through a tax referendum. This is a question that will be going to the taxpayers in the community on the May ballot. Information on the reason why this action is being taken can be found on the STOH Website under the button labeled "Baker Tilley Financial Study Presentation" and a recording of the presentation along with questions asked and answered at the meeting can be found on the School Town of Highland Board Meetings Facebook Page. Should you have any questions, please feel free to ask. If you are not already registered to vote, please see the attached QR code or webaddress so that you can quickly and easily register to do so.
7. If any parents are interested in a part time cafeteria position at Highland High school. The hours are Monday-Friday 10-2, with nights, weekends and holidays off. We are looking for a reliable, hard working team player to join our awesome lunch crew! If interested, please go to the Highland website and apply online.

That concludes our Thursday's Thoughts, thanks for listening, be safe, be well.
