1. Traditions create memories for everyone and a sense of belonging. They help children understand who they are and what is important to the family to which they belong. 2. What activities do you do with your family this time every year?	1. What traditions exist in our family this time of year? 2. Do we know a lot about how and what other families celebrate during this time? 3. What are we curious about that we'd like to learn more about (link to "Holidays Around the World" Slides)
